-

WORK EXPERIENCE

LARAVEL DEVELOPER, Aipxperts Technolabs Private Limited **March 2024 - June 2024**

- As a Sr. Laravel Developer, I have worked with a wide range of technologies, including HTML, CSS, jQuery, JavaScript, Bootstrap, PHP, and Laravel. Additionally, I have gained experience in integrating **Exely Room Booking Engine** APIs and creating Swagger API documentation.

Renai Hotel

LARAVEL DEVELOPER, Sassy Infotech PVT LTD **May 2023 - Feb 2024**

- I was working as a Laravel Developer. In this role, I've had the opportunity to work with a wide range of technologies, including HTML, CSS, jQuery, JavaScript, Bootstrap, PHP, and Laravel. Additionally, I've gained experience in integrating social third-party APIs like Twitter, Pinterest, and Facebook, as well as Microsoft Teams API integration with Azure accounts and ChatGPT API Integration. I'm dedicated to honing my skills and delivering high-quality solutions.

Pencila

PHP LARAVEL DEVELOPER, Coderkube Technologies **Aug 2021 - May 2023**

- During my time here at Coderkube Technologies, I have demonstrated exceptional skills as a dedicated, hardworking, and creative team member. My personality traits align with a positive attitude towards my work, and I have made meaningful contributions to our processes. To the best of my knowledge, my work has consistently met expectations due to my sincerity, dedication, and unwavering commitment to delivering quality results. I spent 1.9 years at Coderkube Technologies as a PHP Laravel Developer. In that time, I learned and worked on PHP core, CodeIgniter, and Laravel. My focus was on crafting web solutions, and I'm committed to advancing my web development skills.

Renewable Energy Hub
