## ABOUT ME

I'm a PHP Laravel Developer with 2+ years of experience. I build websites and applications that work smoothly. I'm always learning new things to stay updated in the tech world. I love working with teams to create cool stuff!

## WORK EXPERIENCE

PHP Laravel Developer

**Softnoesis PVT LTD | Surat**

Aug 2021 - Feb 2022

I've been a PHP Laravel Developer at Softnoesis PVT LTD for 6+ months. My role involves working with PHP core, CodeIgniter, and Laravel to create web solutions. I'm passionate about delivering quality work and always learning.

PHP Laravel Developer

**Coderkube Technologies | Surat**

Feb 2022 - May 2023

During my time here at Coderkube Technologies, I have demonstrated exceptional skills as a dedicated, hardworking, and creative team member. My personality traits align with a positive attitude towards my work, and I have made meaningful contributions to our processes. To the best of my knowledge, my work has consistently met expectations due to my sincerity, dedication, and unwavering commitment to delivering quality results. I spent 1.5 years at Coderkube Technologies as a PHP Laravel Developer. In that time, I learned and worked on PHP core, CodeIgniter, and Laravel. My focus was on crafting web solutions, and I'm committed to advancing my web development skills.

Laravel Developer

**Sassy Infotech PVT LTD | Surat**

May 2023 - Oct 2023

I'm working as a Laravel Developer and am currently with the company. In this role, I've had the opportunity to work with a wide range of technologies, including HTML, CSS, jQuery, JavaScript, Bootstrap, PHP, and Laravel. Additionally, I've gained experience in integrating social third-party APIs like Twitter, Pinterest, and Facebook, as well as Microsoft Teams API integration with Azure accounts and ChatGPT API Integration. I'm dedicated to honing my skills and delivering high-quality solutions.
